

Workshop Registration Information

The Second Workshop on the Systems-Driven Approach for Inverter R&D will be held at the Radisson Hotel at Cross Keys, 100 Village Square, Baltimore, Maryland, on Wednesday and Thursday, October 13th and 14th. Eighty-five leading experts will explore the issues of inverter research and development.

The Radisson Hotel at Cross Keys offers lodging for \$139/night, the government per diem rate for Baltimore. The hotel Web site is www.radisson.com/baltimoremd. Reservations can be made at 410-532-6900 or 800-532-5397 **until September 19th**. Mention the McNeil/DOE High Performance Inverter R&D meeting.

Workshop participants are encouraged to stay at the hotel to share in a reception on October 13th and discuss issues with colleagues between sessions. The meeting areas are newly renovated and the hotel is surrounded by 72 acres of woods and lawns with extensive jogging/walking paths. Tennis, shopping, and golf are available nearby, and the Inner Harbor is only 6.5 miles away. Parking is free at the hotel.

If you plan to attend, please RSVP by Wednesday, September 15th, to Kevin DeGroat of McNeil Technologies, kdegroat@mcneiltech.com, 703-921-1632, or Dan Ton at Dan.Ton@EE.DOE.GOV.
